25X1

1. A decree of 23 October 1954, issued by the Ministry of Road and Air Transport, sets forth new regulations for the construction of liquid-fuel and lubricating-oil stores.
2. According to the terms of this decree, all such new stores must be constructed underground, of concrete with wooden floors.
3. The decree stipulates further that all existing surface fuel stores must be converted into underground stores during the course of 1955.
